for a while. The explosions are generally thought to be of Fernan origin. Shocks of both explosions are described by the officials as very similar. The shock of the explosion at the local government board officers. March last, in which D. Gallagher was implicated. It is stated that four machines similar to rock were found in the tunnel near Praed street altogether six carriages were shattered. Forly persons were admitted to the hospitals, and many more of the injured were sent directly to their own homes.

Throughout England and Wales there

Savings of the English People.

Throughout England and Wales there are 344 banks, which at the close of November 1882, had 1.172.167 accounts remaining open. There was then owing to the depositors nearly £35 000.000. Scotland has 53 banks, which had 323.391 accounts open in November, with upward of £7 000.000 owing to depositors. The number of accounts and the amounts deposited when compared with the number of banks, were considerably larger in deciland than in the synthem part of the kingdom. In Iraland the accounts and money are still smaller, in proportion, for while she had 31 banks, she had only 52.161 accounts, with £2.082.413 due to depositors. For lest year alone, however, the average amount of receipts from depositors was largest in Iraland, reaching £6 is id. In England and Wales the average was £4 83, and in Scotland £3 43 10d. In England and Wales the average was £4 83, and in Scotland £3 145 dd. In Scotland £1 145 dd, in Scotland £1 145 dd, and in Iraland £7 3s 7d. The rate of interest paid to depositors averaged in England £2 146 dd, in Scotland £2 145 dd, and in Iraland £2 145 dd, in Scotland £2 145 dd, and in Iraland £2 145 dd, in Scotland £2 145 dd, and in Iraland £2 156 dd, in Scotland £2 145 dd, and in Iraland £2 156 dd, in Scotland £2 145 dd, and in Iraland £2 for terms of years; in Scotland there have been granted in England for life, and § for special terms. The total amount of money represented in the annuties is about a quarter of a million sterling. There was some difficulty in getting a return from the Limetick Savings bank, although repeated from accounts in the national debt office.—[London Times.

Death Trap

PITTEBURG, Oct. 30 .- Kiefer's & Stiefs's tannery in the upper part of Alleghany City, was the scene of a terrible affair this morning, two men sacr ficing their fives in an unsuccessful attempt to save that of a fellow workman. The firm has been digging a well, to be used as a vat, and this morning Christ Dickson, an employe, went down to measure the depth of water, when he was overcome by foul kir. Ferdinand Schrefer and Charles Schalize, who were working near by, heard his cries, and Sonrafer descended into the well to help him, but no sooner reached the bottom than the fatal choke damp rendered him insensible. Schultz then followed, but was also overcome. Ropes were then procured and fastened around the bodies of Solomon Bamberger and Rhineherd Remsen, who were lowered into the de ath trap with difficulty. They tied the bodies to the ropes and all were hauled up. Dickson, Schrafer and Schultz were dead and Bamberger and Remsen were unconscious, but with the aid City, was the scene of a terrible affair this

Remsen were unconscious, but with the aid of restoratives were soon revived and able to go to their homes. Dickson was a single man and the other two married.

Morris Banger & Company, New York, Oct. 30 .- The Commercial-Advertiser, has the following regarding the cotton failure in Liverpool to-day. "The cotton firm of Merris Hanger & Co., is one of the largest in England and is composed of Morris Hanger alone. The firm was es-tablished in 2808 at the house of Farman &

or Morris scaper above. The firm was established in 1858 at the house of Farman & Co., Brood street, whom Eanger was supposed to represent abroad. Is was stated that no news beyond the foregoing had been received by the firm and it was not believed that any American houses would be in the least affected by Hanger's suspension. Fatman & Co. deny having any business relations with the suspended firm, and can throw no light upon the extent of the failure, or as to parties involved in this country. Morris Ranger & Co. are recorted to have bowght in, or made settlements for a heavy amount for September and October short cotten, but they have anticipated this by suspending their short contracts outstanding, which are estimated from 180,000 to 190,000 bales.

ing, which are estimated from 180,000 to 190,000 bales.

The liabilities of Morris Ranger are estimated at £300,000 in Liverpool and £40,000 in Havre.

Hollennead, Setley & Cott, cutton brokers, have suspended. Later reports relative to the failure of Morris Banger, place ilabilities at \$650,000 and 400,000 bates of
